## The Brain Behind Excellence

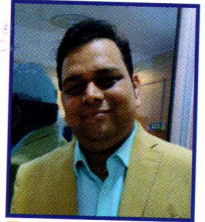

Swami Vivekanand Said "The function of education is to teach one to think intensively and to think critically. Intelligence plus character - That is the goal of true education." keeping with the same ideology, we at Aryabhata Polytechnic endeavour to aspires everyone to go ahead and succeed in life as well as provides ability to overcome challenges in life. In our everyday life the influence of science and technology is becoming so pervasive that man's existence in this world is simply inconceivable in their absence. This is why, to train our people our education must be recognized to give it the necessary practical and technical basis.

## Our Mission

- ➔ Our Mission is to be a centre of excellence in the field of technical education. To enable the student to excel in their academic pursuits, making them sensitive to the needs of progressive industrial world.
- ➔ To produce technocrats with psycho meter and cognitive skills, committed to life long learning.
- ➔ To impart ethical values and leadership qualities in students which would transform them into superior human being.

## Our Vision

Aryabhata Polytechnic is committed to provide the nation & state of Bihar with a new generation of skilled technocrats to meet the challenges of 21st century, who can serve the nation and to impart quality education in a disciplined environment with the help of competent and dedicated faculty.

**Er. Kumar Avinash**  
(M. Tech)  
Chairman

**Er. Kumar Abhishek**  
(M. Tech)  
Secretary

**Ramachandra S Badiger**  
Principal  
(Phd. M. Tech)

## Key Silent Features

1. **Located in the heart of the Gaya City**  
Aryabhata Polytechnic is located at

7 km from Gaya Railway Station

3 km from Gaya International Airport

5 km from world heritage Bodhgaya

2. **Faculty:** - Aryabhata Polytechnic have a team of highly Qualified and Experienced faculty, who are well behaved, student friendly, dignified, Sincere & supports students equally in academics and throughout their struggle for better career.
3. **Anti Ragging Cell :-** This committee functions are very strictly. Not a single case of ragging has yet been reported. It's totally a ragging free institution.
4. **All lab & Workshop :-** Adaption of new technology and implementation of technical knowledge into practical field are most important parameters in engineering. To meet up these necessities the concept of laboratory has been introduced and maintained by Aryabhata Polytechnic well equipped.

## Key Silent Features

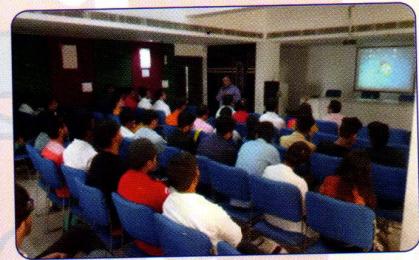

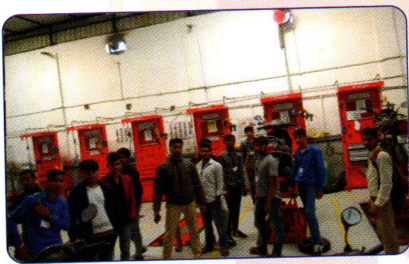

5. **Placement drives:-** On campus placement of student is one of the main objective of Aryabhata Polytechnic. As a result, a full-fledged training & placement cell is regularly conducting on campus & off campus recruitment drives. A Personality development & training programmes along with mock interviews are conducted regularly by placement cell.

Our Placement Partners are: -

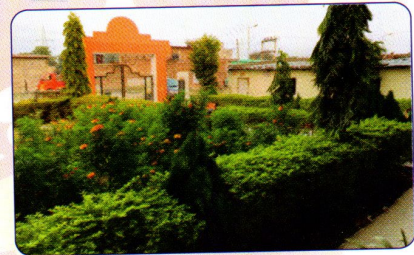

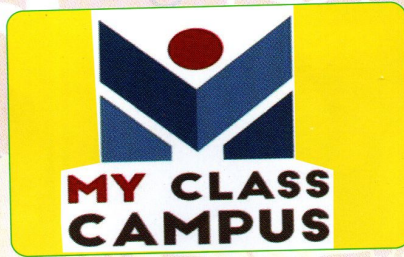

6. **Bihar Student credit Card Facility Available:-** Free Education facility Under 7 nischay scheme education loan facility for polytechnic admitted students is available. For more details please visit :- <https://www.7nishchay-yuvaupmission.bihar.gov.in>

7. Regular Industrial Visit, Guest Lectures, Seminars.

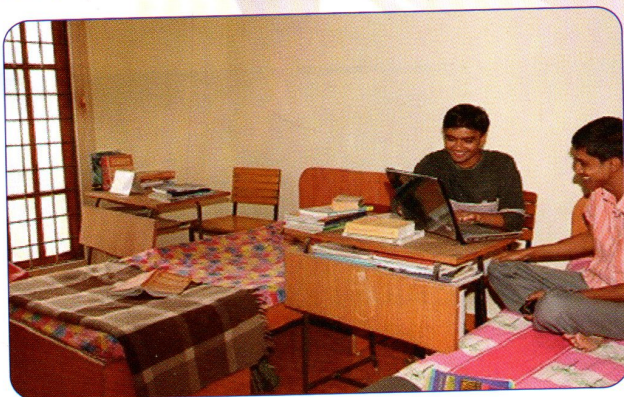

8. Digital learning through personal app, Soft notes facilities and Green campus. (Under Swachh Bharat Abhiyan)

9. Regular attendance monitoring through SMS to Parents and Telephonic Information.

10. Separate Hostel facility for boys & girls.

BOY'S HOSTEL

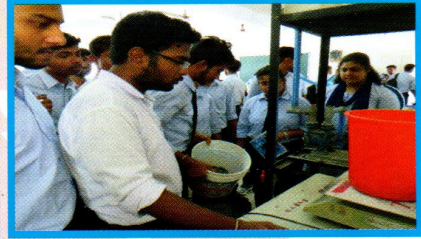

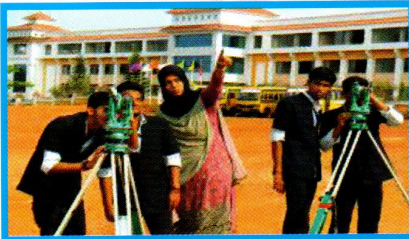

GIRL'S HOSTEL

11. **Indianness:-** All students both female & male are looked after equally. No discrimination on caste, Creed, Religion and gender. Physically challenged are especially taken care of.

# Course Offered in 3 Years (Regular) & 2 Years (Lateral Entry) Diploma in Engineering.

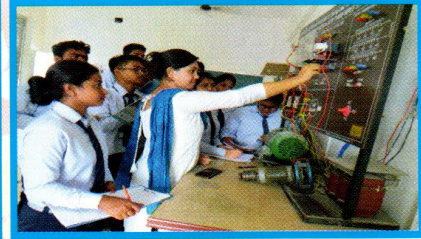

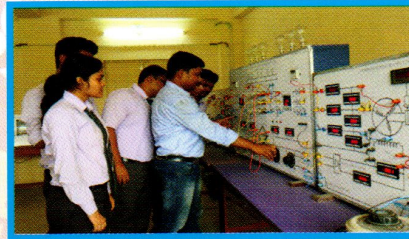

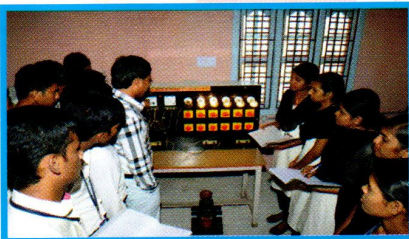

## Civil Engineering

Beside being of the most rewarding profession, Civil Engineering Meet most of the major challenges facing the world today. Academics of the department emphasizes deep understanding of fundamental principal and development of creative to handle those challenges. Facilities like Learning - zone, Design Laboratory, etc are included along side specialist research and teaching.

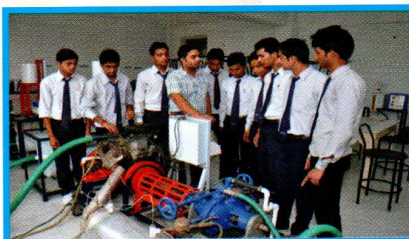

## Electrical Engineering

The department of electrical engineering is fully equipped with all the relevant laboratories and highly qualified and dedicated faculty. Various electrical instruments, 3 -phase machines, transformer, A.C. and D.C. , motor, generators training kits, active and passive components etc. are provided to facility the department.

## Mechanical Engineering

The department has well equipped workshop, Tom, Thermo - dynamic lab, CAD - Center, Simulation & Modelling I.E, Fluid Mechanics of material, RAC, Automobile, Engg. Machines Lab, H.M.T. Strength of Material, Dom, EME etc.

## Workshop

The Market for general engineering workshop has got wide scope due to fast growth of industrialization, especially in the service sector. Spares for automobile parts, machine parts etc. can be manufactured. Repair & maintenance jobs for house hold items can be taken for welding, sheet metal fabrication, carpentry works etc.

## Admission Eligibility

Courses	Branch	Eligibility
Diploma (3 Years)	Electrical Engineering Civil Engineering Mechanical Engineering	10th/Matric Pass with 35% marks
Diploma (2 Years) (Lateral Entry)	Electrical Engineering Civil Engineering Mechanical Engineering	10+2 (Science) with Vocational & 10 + 2 years ITI Pass from any Trade for any Branch

### **Submission Of Application Form:-**

The application form must be enclosed along with the followings:-

- (i) An application obtained from college campus on cash payment of Rs. 500/-
- (ii) The candidates who have downloaded the application form from the website [www.aryabhatterpolytechnic.com](http://www.aryabhatterpolytechnic.com) They must submit application form duly filled by own handwriting along with relevant documents with a cash/online payment of Rs. 500 on or before last date of submission of application form.

### **Enclosure:-**

- ( i ) Self Attested photocopy of educational certificates, mark sheets, Passing certificates, S.L.C/C.L.C and caste/category certificates.
- (ii) Photocopy of character certificate from the head of the School/College last attended
- (iii) Four copies of passport size latest color photographs.
- (iv) Photocopy of Aadhar Card/Valid ID Proof.

### **Selection Procedure:-**

#### **For Diploma (3 Years Course)**

- ➔ Student will get admission on the basis of their performance in DCECE (Diploma Certificate Entrance Competitive Examination) for Diploma (3 Years) Course.

#### **For Diploma (2 Years Course)**

- ➔ Student will get admission on the basis of marks scored in DECE (LE) [Diploma Entrance Competitive Examination (Lateral Entry)] for direct admission in 2<sup>nd</sup> Year.
- ➔ Final selection will be done on the basis of counseling process.

### **Certificate Verification for Admission :-**

- ( i ) Candidate will have to produce all original documents like certificates, mark sheets at the time of counseling.
- (ii) Admission of a candidate is provisional and can be cancelled if any discrepancy is detected or the candidate fails to adhere to the rules & regulation and other related conditions as laid down by the college.

# Admission Process

- (iii) Admission is subject to cancellation in the case of a student who fails to secure at least 80% attendance in the class & satisfactory process in the monthly review of studies.
- (iv) A candidate shall forfeit his/her seat if fails to report in the admission office on the due date with the required documents and fees for admission. He/She shall thus have no claim for admission and in turn, the said seat so falling vacant shall be allotted to other candidate at the discretion of the management.
